

# Petair LLC

美唄 Skypark

**Petair**

**We get you in the  
air and provide  
care on the ground**

Peter F. Steeger  
Representative Petair Japan

# Philosophy

Hokkaido is a vast province and aircraft are an important yet underused means of transportation, utility and rescue in case of disaster. Petair strives to make aircraft easier to use and accessible to more people in Hokkaido.

**Petair**

## Interview

---

Hangar for Mr. Yamashita,  
CEO of HFS

Hangar Space is scarce in the vicinity of Sapporo. Petair's Hangars at Bibai airport are very attractive and reasonably priced for aircraft staying or just visiting Sapporo.

**Petair**

## **Interview**

**Handling Services for H.J. Schwerhoff**

**We have traveled in D-ESAY (C210) around the world in 2010. Avgas is difficult to get in Japan and formalities tend to be complicated, but with the help of Petair we got through Japan smoothly and the trip was a wonderful experience**
